

Sensing Solutions since 1959

TL4569/ TL4570 Series Technical Data Sheet

Visual Indicators

TL4569-10358

Applications

- For use in remote and mobile storage tanks when no electrical power is available
- Buna-N, 316SS and polypropylene floats available
- 17.5" to 33" lengths available

Custom Solutions

At times, OEMs, end users or military specifiers require a customized solution or sample product to test. Madison Company can design, manufacture and ship a custom switch or sensor in just six business days. Simply communicate the quantity and requirements to our technical sales staff. We will quote the product to establish budget and ROI. Following the quote approval, Madison engineers will design the switch or sensor that satisfies the application specifications, and provide proof of concept. Upon approval, we will build and ship the product or sample.
